

Online Member Registration Form

Registration for a POP Portal account, or for a faith formation class, or any other event, does not register your household as members of the parish.

To register as a parishioner of Prince of Peace you must submit a Member Registration Form either online or in paper form (a Census Data Form).

If you are unsure if you are already a member, you can send an inquiry to f1support@pophouston.org.

Important Instructions - Completing your Member Registration Form Online

STEP 1 – Create your POP Portal account. Click on the POP Portal Logo below to get started.

For instructions on how to create your POP Portal account visit our web at <http://www.pophouston.org/creating-your-pop-portal-account>. Printable instructions are available to download.

You must first have a POP Portal account in order to complete the Online Member Registration Form. This member registration request is processed through your portal account.

After you create your portal account, proceed to STEP 2 and fill out the online Member Registration Form.

STEP 2 – Complete the [Online Member Registration Form](#)

Sign on to your newly created POP Portal account. You can now add any family members during the Member Registration request by clicking the ADD A PERSON button for each new person.

Member Registration Form

Please complete the following registration form to be a registered member of Prince of Peace Catholic Community. To add an individual to your household, click the ADD A PERSON button to create your family THEN select all the individuals before continuing to the next step.
